Dear [REDACTED]:

We are writing to notify you of an unauthorized disclosure, which occurred November 5, 2014, by our new third party administrator, Gilsbar, LLC ("Gilsbar"), who administers your retiree Medicare Options US Trust plans. A retired member recently asked them to provide that member a copy of his Pre-Authorization Check (PAC) form. The Gilsbar Customer Service Representative handling the call inadvertently sent the member a copy of your PAC form, containing your name, social security number and banking account information. Upon receipt, the member informed Gilsbar of the incident, destroyed the form, and did not copy or share it. Protecting your privacy is paramount to us. Therefore, Gilsbar has arranged to offer you a one-year LifeLock Advantage identity theft plan at their expense.

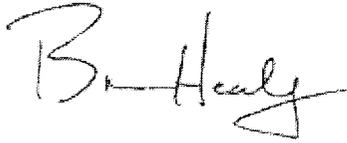

The offered LifeLock Advantage plan includes the following safety features:

- Lifelock Identity Alert System
- Lost Wallet Protection
- Address Change Verification
- Reduced Pre-Approved Credit Card Offers
- Black Market Website Surveillance
- Live Member Support 24/7/365
- \$1 Million Total Service Guarantee
- Fictitious Identity Monitoring
- Court Records Scanning
- Data Breach Notifications
- Online Annual Credit Reports and Scores – 1 Credit Bureau
- Credit Card, Checking and Savings Account Activity Alerts

If you would like this protection, please contact Peggy Cardella, Gilsbar's Contracts & Compliance Manager, at (985) 898-1673, and she will help you get your coverage started.

Transamerica Premier Life Insurance Company regrets this incident, has fully investigated it, and has taken immediate steps to eliminate this type of occurrence in the future, including staff training and flagging your file. Let me know if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Brian Healy". The signature is written in a cursive style with a large, stylized "B" and "H".
