PUBLIC HEARING NOTICE

In accordance with Chapter 101 of Title 8 VSA, the Vermont Department of Financial Regulation will conduct a public hearing in response to a petition to determine whether the establishment and maintenance of a Consumer Operated and Oriented Health Plan as proposed by a group of incorporators will promote the general good of the state.

A public hearing before Commissioner Susan L. Donegan will be held on March 1 at 10 a.m. at 312 Hurricane Lane, Suite 201 in Williston.

The petitioners seek to form a Consumer Operated and Oriented Health Plan (CO-OP) under Chapter 101 of Title 8 VSA and the federal Patient Protection and Affordable Care Act. The main purpose of the CO-OP is to create a nonprofit health insurance issuer to offer health plans through Vermont Health Connect.
