The State of Vermont has created a program to help residents protect their assets from the high cost of Long Term Care.

This program helps protect your assets from the cost of needed care either at home, in an assisted living facility, or in a nursing home while helping you preserve your dignity and independence.

Request your FREE information about the Vermont State Partnership and receive the essential information you need to help plan for Long Term Care - you'll learn about LTC Costs, Care Options and Plan Designs. This information has been developed by the 3in4 Association to help educate Americans on the need for long term care planning.

Request your FREE information to assist your Long Term Care Planning today!

3 Easy Ways to request your FREE information!

1. Online: www.3in4info.org -
Use Code **AW-4310-9328N**
